

St.Gallen, the 19th of May

Dear SGMUN members,

It is with great pleasure that I submit my candidature to be part of the 2022 SGMUN Executive Board. Currently, in my fourth semester in the Bachelor of International Affairs, I would like to be more committed to the life of the club and to contribute to its well-functioning.

Highly interested in the field of diplomacy and assiduously following the news of international politics, I decided to apply for the position of Head of Debates. I see this function as crucial to ensure that the heart of the club is beating, and I would be delighted to bring my creativity and my engagement to set up engaging and interesting debates.

I thank you in advance for your attention and look forward to meeting all of you at the debate table next semester.

Sincerely yours,

Johann Cardinaux
